

# Equipment Theft Alert

**Colorado John Deere Tractors 3.11.2016**

Far West Equipment Dealers Association ([www.FWEDA.com](http://www.FWEDA.com)) reports to NER that sometime between 2 and 6 AM Friday March 11, a new John Deere Compact Tractor was stolen from a new equipment dealership in Longmont, Colorado.

This follows on the February 15th burglary of two similar machines from the same location (see details [here](#)). It's possible that a red, mid 90's Ford dually with white upper cab and Texas plates was involved in that incident.

Please forward this alert to anyone that may have witnessed activity in the area, or seen a similar machine loaded, driven or hauled in the area.

These incidents illustrate the continued targeting of new equipment at dealerships and rental businesses. The equipment industry and area Law Enforcement are encouraged to increase their vigilance on these highly sought after machines. See [NER's Equipment Business Burglary Advisory](#) for some common sense steps to reduce vulnerability and increase awareness
