

Equipment Theft Alert

Wisconsin John Deere Skid Steer 6.1.2016

On or around the Memorial Day Holiday Friday March 27th to Tuesday June 1st, the below described John Deere Skid Steer was stolen from the owner's property along First Street in [Plum City](#), Wisconsin.

Please forward this alert to anyone that may have witnessed vehicles or activity at the location, or may encounter the machine in the area.

Pierce County Sheriff's Report: 2016-6822

Equipment Details:

Make/Model: 2004 John Deere 325
Type: Skid Steer Loader
Product Identification Number (PIN):
T00325B103680

Pictured is a model 325 Skid Steer. It is unknown if the stolen machine is an open cab configuration as pictured.

PIN Plate forward of operator's right knee

The machine PIN Plate is on the interior right frame, above the step and just forward of the operator's right knee. The plate may be obscured by a cab enclosure panel.

At left is a closeup of the PIN Plate on a model 328 Skid Steer, which is common to the stolen model 325.
